Registrar Report

Three (3) lifetime members were enrolled in 2021-2022. We have a total of 57 paid members to date. This number does not include members paid in 2021-22 on an annual basis. Membership dues for 2023-2024 are being collected.

Yesterday the Board decided to offer a Zelle option to pay dues. The form will be revised to include this option.

Respectfully submitted,
