6.				
7.				
8.				
9.				
10.				

Report and Recommendations

1. Publish a report of minutes/decisions after each National Trustee Meeting within a week. One official report should be published instead of a report by members in each state. This report of record in a timely fashion could help to ensure decisions are correctly communicated. May help confusion that occurs and keep members/state societies on the same page.
2. Develop standard training at the National level for members and after delivery place online on the members section. 1. Purposes of the SAR and how they are achieved. 2. General Structure of the overall organization, 3. Some ideas as to a role of how they can participate. Assign a few members to come up with a potential training ideas.
